

Is your local takeaway taking away human rights?

Some businesses are not always what they seem

Signs of slavery are often hidden making victims even harder to recognise...

- Does the shop front look untidy and uncared for?
- Are any professional qualifications or certificates on display?
- Are kitchen staff wearing appropriate clothing?
- Can you hear friendly banter between management and staff?
- Are there signs of staff living on the premises?
- Is the food quality as good as you would expect?

Slavery still exists. If you can see them – **be their voice**

- Call the National Modern Slavery Helpline on **08000 121 700**
