Information about the reporting of lost property

As part of an insurance claim for lost property, you have asked your client/customer to report the loss to the police and provide your company with a lost property reference number.

For your information, Kent Police does not take reports of lost property and are therefore unable to issue any reference numbers as we do not investigate or validate claims of loss.

Lost property is not a police matter and your client/customer has been asked to download this standard notice from our website as confirmation.
